About Us

Who we are?

We are team myAlmate, we share a passion for Artificial Intelligence, Machine Learning, and Technological Innovation.

Our Vision

Our vision is to transform the learning landscape for students, enabling them to become the technology leaders of tomorrow.

By equipping young minds with essential skills in AI and coding, we strive to cultivate a generation of problem-solvers and innovators prepared to tackle real-world challenges.

We aim to

We believe in the power of collective learning

We aim to foster a dynamic environment where students can explore, experiment, and excel in the fields of AI, Machine Learning and Future-Tech Development.

Our mission

To create a community-driven platform for students passionate about technology.

To introduce young learners to AI and coding through hands-on projects, hackathons, and educational events.

To foster a culture of collaborative growth by bringing together like-minded individuals and building connections with industry experts.

Navyug - Inter APS AI Hackathon

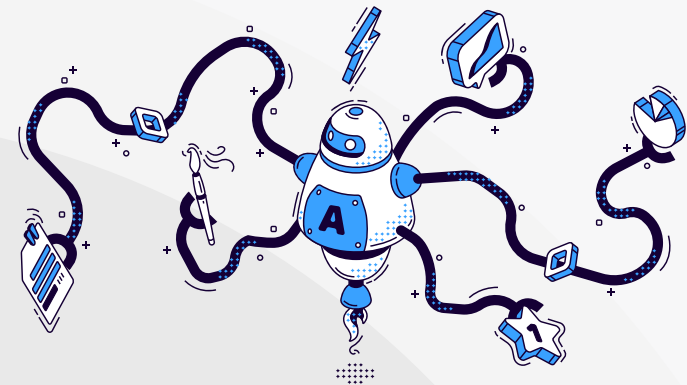

Welcome to Navyug, a two-phased AI Hackathon specially designed for students from Army Public Schools for classes 6th–9th. This event aims to foster creativity, enhance cognitive skills, and build a strong foundation in technology and problem-solving among young students. Navyug isn't just a competition—it's a platform to empower students to solve real-world problems through logic, reasoning, and innovation:

Round 1: Online Quiz

This round will test students' aptitude across various domains to assess their critical thinking, mental math, and logical reasoning abilities. Each participant will face a 40-minute quiz, designed with specific tags/labels to cover a range of skills.

**20k+
Prize Pool**

Exclusively for Classes 6th–9th

Round 2: Navyug Innovation Hackathon

Selected students from the quiz will proceed to the hackathon round, where they'll work in teams to develop solutions for real-world problems.

**No
Registration
Fees**

Potential for Learning

Prizes

Categories

For Classes 6 & 7

For Classes 8 & 9

Prize distribution for each category:

*** E-Certificates will be provided to all the students and teacher-in-charge. ***

Navyug - Event Timeline

DECEMBER

20 DECEMBER 2024
Registration Deadline

Final day for student registrations. Ensure your participation in this exciting journey.

20-24 DECEMBER 2024
Intellectual Challenge Quiz

Engage in an online quiz to assess your reasoning, critical thinking, and cognitive skills.

25 DECEMBER 2024
Quiz Result Announcement

Results for the online quiz will be released. Check if you've advanced to the next stage.

26 DECEMBER 2024 - 13 JANUARY 2025
Innovation Hackathon

Participants will engage in a hands-on hackathon, focusing on creative problem-solving and innovation.

15 JANUARY 2025
Hackathon Result Announcement

Final results of the hackathon, along with a recognition ceremony to celebrate the achievements of students and schools, will be presented.
